

Friends of the South Slopes Society

Adopt-A-Trail for Clubs Program

Myra-Bellevue (Crawford Trails) & Okanagan Mt Provincial Parks

Friends of the South Slopes Society (FOSS) will provide each club with an assessment of the work their trail requires. If requested, FOSS will:

- Provide instructions on how to complete the tasks.
- Provide the use of a gas powered brush cutter and instructions on how to use it.
- Loan to the club any other specialized trail building tools needed.

For a club to adopt a trail contact FOSS at info@foss-kelowna.org

Please state your club's interest in the Adopt-A-Trail program.
