

Place your brand on the Okanagan's #1 attraction

Starting this summer, visitors to the Myra Canyon Trestles can download a free interpretive guide designed to enrich their journey along the historic rail-to-trail.

The **Myra Canyon Explorer** brings the Kettle Valley Railway experience to life — revealing the bold engineering, dramatic landscape, and fascinating stories behind one of the region's most iconic experiences.

#1 most visited Okanagan attraction

Exposure to 40-60,000 visitors

A souvenir of the trestle experience

Direct link to your company website

At each of the 21 Points of Interest, prominent trail-side signs invite visitors to unlock deeper stories on their phones (available in three languages). By sponsoring a Point of Interest, your organization becomes part of the story.

Featured sponsors secure a permanent place in visitors' pockets connecting their brand with the preservation of our history and the spirit of adventure that defines our region.
